Re: Guidance Document for Distribution of Alder Creek Water Rights and Flows; May 26, 1999 Order requiring Measuring Devices and Controlling Works on alder Creek; Response to your Letter of June 9, 1999

Dear Mr. Ling,

I have reviewed your letter of June 9, 1999 regarding the above subjects. Your letter largely reiterates concerns and comments expressed by your client, Mr. John McCray, that were submitted to the department via correspondence dated June 6, 1999. I responded to Mr. McCray's comments by correspondence dated June 9, 1999. My correspondence had been mailed prior to my receipt of your letter. I have attached a copy of my June 9 correspondence to Mr. McCray.

I believe that the attached copy of my letter to Mr. McCray also addresses your comments. Please note that a final Guidance Document for Distribution of Alder Creek Water Rights and Flows was prepared and distributed on June 11, 1999. This final version had been revised in part based on some of the comments submitted by Mr. McCray. A copy of this document is also attached.

Although the final guidance document has been distributed, you are welcome to send additional comments for the record. You may also contact me or Norm Young directly if you have questions, concerns or are in need of assistance relative to Alder Creek distribution matters.

Sincerely,

Tim Luke
